

Welcome to the Snow Sports School at Granite Gorge.

This season Granite Gorge is very excited to offer new programs as we expand our snow sports school to encompass skiers and riders of all ages and abilities. We have something for everyone.

We have a new parent and child class for 3 year olds and a preschool class for 4 and 5 year olds. These classes will be 45 minutes and will allow even our youngest enthusiasts to take advantage of our learning opportunities. Some of the class times will be before the mountain opens to the general public to allow for an optimal learning experience.

We will have a Women's Clinic on Thursdays. This is a great way to learn a new sport or increase your current skill level. We also continue to have our special adult lessons on Friday nights. Have you wanted to learn to ski or ride or get back out on the snow after taking time off but did not know where to go? Well we have the perfect set up for you. Come on out on Friday nights, take a lesson and then have time to practice all for one price.

We have regular Friday night race clinics and we will be holding 3 Friday night races to allow you to test your skills and enjoy the experience of downhill racing at Granite Gorge.

Our Winter Youth Program (WYP) is back and has expanded. We offer one hour lessons, once per week for six weeks on Thursday, Friday, Saturday and Sunday, as well as a Saturday morning race program and a second WYP mini session. Be sure to check out the added options to our WYP including Saturday and Sunday option plus tickets, tubing options, parent tickets and our ambassador program.

Registration forms for all classes are in the brochure and available online, just print them out, fill them in and return to Granite Gorge. If you will be renting equipment you will need to come in by December 28, 2010 to get fitted.

We also offer group lessons on weekends and vacation weeks, advanced registration is recommended, but walk-ins are welcome. Private and semi-private lessons are available by appointment. Vacation week snow camps are available during February. We will also be offering freestyle and terrain park clinics for skiers and snowboarders throughout the season.

More details can be found in the brochure or check out our PROGRAM page on our website www.granitegorge.com for more details. Call the office at 603-358-5000 or e-mail ticket@granitegorge.com if you need further information.

Granite Gorge Snow Sport School is looking forward to teaching you. Our instructors are trained using up-to-date skiing and riding safety and technical information. We would love to have you join us on the mountain. A lesson is a great way to get a good start or brush off the dust from last year. Sign up today! We are looking forward to sharing our passion for skiing and riding with you!

THINK SNOW!

Sincerely,

Diana Warhall
Snow Sports School Director
