Welcome to the Snow Sports School at Granite Gorge.

This season Granite Gorge is very excited to offer expanded hours of operations, updated facilities and trail improvements. Our Snow Sports School continues to grow and offers programs and classes for skiers and riders of all ages and abilities. We have something for everyone.

Our brochure and website outlines all available programs and classes. Registration is available online at www.granitegorge.com or email us at snowsportsschool@granitegorge.com for more information.

Granite Gorge Snow Sport School is looking forward to teaching you. Our instructors are trained using up to date skiing and riding safety and technical information. We would love to have you join us on the mountain. A lesson is a great way to get a good start or brush off the dust from last year. Sign up today! We are looking forward to sharing our passion for skiing and riding with you!

THINK SNOW!

Sincerely,

Diana Warhall
